SUMMARY

I am a third-year BS Mathematics and Computing student at **NIT Agartala**, I have developed a keen interest in the application of mathematical and computational principles to solve real-world problems. My technical skills include expertise in HTML/CSS/JavaScript/C++ programming languages, which I have utilized in various academic and personal projects.

PROJECTS

Weather WebApp

[WeatherApp](#)

This is a WebApp created by me by using the tools like HTML, CSS, JavaScript. This webApp helps us to find the Weather like **Temperature, Wind Speed, Humidity** of any city across the Globe

Age Calculator

[CalculateYourAge](#)

This is a WebApp created by me with help of tools like HTML, CSS, and JavaScript. This helps us in **calculating our Age** by using our Date of Birth.

EDUCATION

2021 - present	Bachelor's Degree at NIT Agartala	(GPA: 7.50)
2018 - 2020	Class 12th BSEB Board	(78.6)
2018	Class 10th CBSE Board	(80.4)

ACHIEVEMENTS

Top 7 percent on **CodingNinja's** in Problem solving in the Year 2023.

[iamsahilraj](#)

4 star coder at **HackerRank**

[iamsahilraj](#)

Secured **28th** rank in CodeRush coding challenge 2023 hosted in NIT Agartala in collaboration with **AlgoUniversity**.

Cracked **Super30** exam conducted by **Anand kumar**.

TECHNICAL SKILLS

Languages	C/C++ JAVASCRIPT
Technologies	HTML CSS ReactJS
Operating System	Windows
Other Tools	VS Code

EXTRACURRICULAR

Internship Coordinator at **Training and Placement Cell**, NIT Agartala.

Manegment head and CoreMember of **WeCan** social club of NIT Agartala
